

# K Supplies

Please *label all* supplies with student's name.

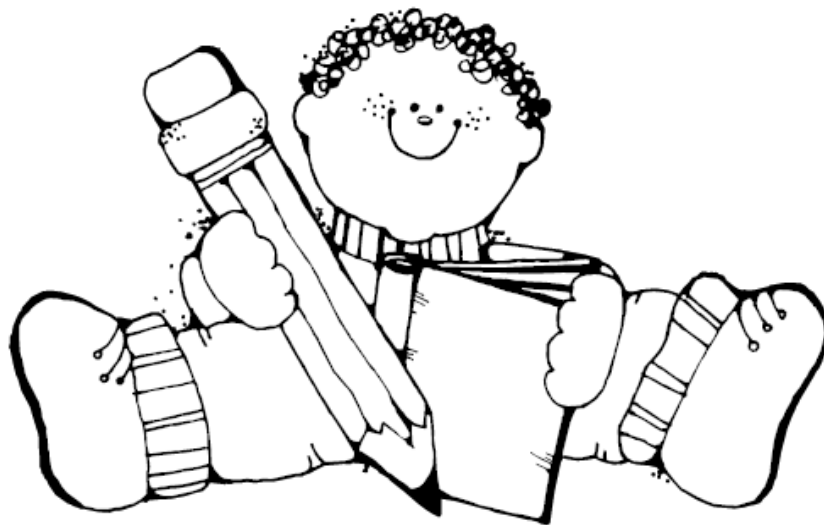

**A backpack** – label with name and phone number, NO wheels, manageable closures (no drawstrings), large enough for art projects,... (*Our coat cubbies are 4.5 inches wide. Please keep that in mind as you are purchasing backpacks, coats and lunchboxes. Large, thick backpacks will not fit in the cubbies.*)

**ADK Lunchbox** - manageable closures and containers. Label all reusable items.  
Please consider small lunchboxes due to the cubby size.

**\$35 check payable to Rosa Parks Elem.** for Kindergarten supplies.

The kindergarten teachers will use the Supply Fund to purchase all needed supplies for classroom use. We will have crayons, scissors, colored pencils, markers, folders, glue sticks and many more items available for students' in-class use.

If your child would like to go back-to-school shopping for supplies to use at home, we would encourage you to do that.

*Please try all items to be sure that your child can manage them independently.  
(Especially backpack, lunch box and food items.)*

*Please try to send all items on the first day of class, or as soon as possible.*

**All students are also asked to provide 5 reams of standard white copy paper.  
(These do not need to be labeled.)**
