Course Information

Humanities

9th grade English and World Studies I will be an integrated block class.

10th grade English and World History II will be an integrated block or an English teacher and History teacher teaching the same 60 students.

Science

As a district, we are considering whether 9th graders should have the opportunity to skip Physical Science and take Biology. That decision will be forthcoming.

Health and Fitness

Eastlake will offer a year long Health and PE class for 9th graders. Students unable to take Health in their Freshman year will be able to meet this graduation requirement on-line.

World Language

Students in the Class 2016 will be required to have 2 years of World Language.
