

Greetings!

I will be doing this year called the “PTSA transition team”. It will be comprised of parents of elementary students who are planning to come to RHJH and will be a forum where I will address questions, concerns, and begin partnering with parents to cultivate solutions to some of the questions and concerns that exist about the upcoming reconfiguration.

I have a short email list of interested parents, but thought that a re-up on a message inviting their participation would be wonderful if you have a weekly email or kid mail letter. If you have the ability to quickly and easily share about this transition team, I would be grateful. Interested parents can contact me directly. Our first transition team meeting will be Tuesday, November 1 at 6pm here at RHJH in the library. The meeting will run for one hour and this first session will be focusing on get-to-know you, some preliminary information about Rose Hill, and cultivating the list of “problems and concerns” that we will tackle in subsequent gatherings.

Thank you for your support of this program and if there’s any information I need to have or that you need from me please just let me know!
