

PARENTS / VISITORS / VOLUNTEERS

Parents and volunteers are appreciated and welcomed in our classrooms. Many programs are only possible because of your support.

All parents, visitors, and volunteers are required to sign in at the office and pick up an identification badge. This helps the office to locate a visitor or volunteer in an emergency and to maintain building security.

School volunteers, field trip chaperones, and drivers are required by the state to complete an application and background check. These forms are available in the school office.

Please attempt to schedule any appointments for after school hours. If this is not possible, make sure that the child is checked out from the office prior to pick up.

All children will be dismissed through the office for any early release.

PTSA

Looking for ways to become involved in your child's school? The PTSA offers great chances for you to help through the many programs we sponsor. The Fun Run, Holiday Craft Fair, and the Carnival are examples of our excellent programs.

Each Committee consists of a chairperson(s) and volunteers. Seven PTSA Co-Vice-Presidents oversee the committees by finding chairpersons and providing historic information for the committee, as well as budgets and event parameters.

Some of the PTSA dollars in action

New Sandburg Library Books
