After such submission, the Superintendent or Deputy Superintendent and the employee will have ten (10) work days from submission of the grievance to resolve it by indicating on the statement of grievance the disposition and signing it. A representative of the Union shall be given reasonable opportunity to be present, and speak in behalf of the grievant if the grievant so desires, at any meeting or hearing held for the purpose of grievance resolution wherein the aggrieved employee is in attendance. The decision of the Superintendent or Deputy Superintendent shall be final and binding upon the parties except as provided in Section 7.2.5.

Failure on the part of the Employer or grievant, to act within the time limits will move the grievance to the next step automatically. Failure on the part of the Union to submit an appropriate grievance to arbitration shall constitute withdrawal of the grievance. The Employer and the Union may mutually agree in writing to extend the time limits at any one of the steps.

Section 7.4 Grievance Requirements

Section 7.4.1 Grievance claims involving retroactive compensation will be limited to no more than forty-five (45) days prior to the written submission of the grievance to the Employer.

The actual starting date of the leave, if granted, will be determined as necessary to protect the quality of the instructional and supportive programs, the desire of the employee and the employee's attending physician. The Employer may require a doctor's certification that the employee is able to continue to work, prior to the temporary disability leave request, without jeopardizing the employee's health or the safety of others.

Section 11.5.3 Expiration of the temporary disability leave shall be when the employee's attending physician confirms the ability of the person on temporary disability leave to resume the duties of the assigned position. The Employer may, at its discretion and at its own expense, have the employee examined by a doctor of the Employer's choice at any time.

Section 11.5.4 The position of an employee on a temporary disability leave for a period of sixty (60) working days or less will be filled by substitute employee(s). The position of an employee on a temporary disability leave scheduled to exceed sixty (60) working days will be filled in accordance with Section 16.1, but specifically only for the period of the leave. Upon expiration of temporary disability leave, the employee will be assigned to the same position or its equivalent if the position no longer exists. A regular employee who has completed the probationary period and is displaced by the return of an employee from temporary disability leave will be entitled to recall under the provisions in Section 16.8.

Section 11.5.5 An employee on approved temporary disability leave will retain accrued I, I, & E leave, vacation and seniority rights. Employees granted temporary disability leave may, at their option, be allowed compensation for temporary disability leave in accordance with Section 11.1 I, I, & E leave.

Section 11.5.6 An employee who has exhausted all I, I, & E leave and is on a temporary disability leave may continue to participate in the employee health insurance programs, if available, at their own expense until the expiration of the leave.

Section 11.5.7 The District reserves the right to call for a doctor's certificate of temporary disability at any time for any number of days used in conjunction with this section.

Section 11.6 Leave of Absence

Section 11.6.1 Upon recommendation of the immediate supervisor and approval by the Superintendent or designee, an employee may be granted a leave of absence without pay for a period not to exceed five (5) work days. An employee returning from such a leave of absence shall be reinstated to the position held at the time the request for the leave was approved without loss of seniority or benefits (i.e., personal business, union business).

Section 11.6.2 Upon recommendation of the immediate supervisor through administrative channels to the Superintendent and upon Board approval, an employee working twenty (20) hours per week or more may be granted an extended leave of absence without pay for a period not to exceed one (1) year. Applications for such leave must be made in writing on a form supplied by the District on or before April 15 of the school year immediately preceding the year in which the leave is to occur. Under unusual circumstances the employee may file a written request with the Superintendent or designee for exception to the April 15 deadline.

Section 11.6.3 An employee returning from an extended leave of absence of sixty (60) work days or less will be reinstated in the same position held prior to the leave if the position exists. An employee who returns from an extended leave in excess of sixty (60) work days will be reinstated in a vacant position for which the employee is qualified and that is equivalent in level and hours (secondary/elementary/workgroup) to that held at the time the request for leave of absence was approved; provided that if an employee refuses an offer of such employment the Employer is released from all obligation under this article. An employee may choose to be reinstated in a vacant position in the same classification/workgroup the employee last held, or in a classification/workgroup the employee previously held for which the employee is qualified, which may be at a lower rate of pay or fewer hours or both.

If an employee voluntarily accepts a position of less status and pay in order to expedite a return to active pay status, the employee shall forfeit all other rights guaranteed in this paragraph, provided that, if an employee who held a PERS position accepts a non-PERS position, he/she shall retain reinstatement rights until such time as he/she is offered a PERS position at his/her level (secondary/elementary/workgroup).

Section 11.6.4 The employee will retain accrued I, I, & E leave and other rights extended by the District while on leave of absence.

Section 11.6.5 Vacation leave, I, I, & E leave, or other benefits shall not accrue while an employee is on leave of absence.

Section 11.6.6 The employee will receive no credit for salary advancement while on leave of absence.

Section 11.6.7 If an employee on approved leave of absence does not return to work or make contact with the District within four (4) work days following the expiration date of the leave, the employee shall be considered as having resigned without notice and shall be terminated.

Section 11.7 Discretionary Leave All employees shall earn three (3) regularly assigned days off work as Discretionary Leave at full salary which shall be available for any employee subject to the following limitations:

- shall not be used during the first and last week of school except for employees on a technology calendar
- shall not be used on any day(s) identified as a "black-out" period in the Technology Department

- shall not be used for any day immediately adjacent to a holiday/school breaks unless a request for such use is made two (2) weeks in advance and approved by their immediate supervisor and, if necessary, a substitute has been secured
- no more than one person at each site shall be permitted to be on Discretionary Leave at any time if a substitute is required (exceptions may be requested)
- the employee shall have received the supervisor's approval at least 24 hours prior to the date requested (except as identified above)
- Discretionary Leave days shall not be charged against sick leave

Employees who do not accrue vacation leave may carryover up to three (3) unused discretionary days by notifying payroll prior to the last day of school; lack of notification will result in a cash-out of any unused days. Cash-out will be at the substitute rate for their job classification; however, at no time may an employee have a balance of more than five (5) discretionary days. Use of three (3) or more discretionary days in a row must be requested and approved at least two (2) weeks in advance and subject to the above limitations that are applicable.

Employees who accrue vacation leave may not carryover unused discretionary days and are not eligible for cashing-out any unused discretionary days.

Section 11.8 Child Care Leave Any employee may be granted child care leave for up to one (1) year. The request for such leave shall be in writing at least thirty (30) calendar days in advance of the proposed starting date and will clearly state the intended purpose and duration of the leave. Long-term child care leave will be without compensation and Employer benefits except that the employee will retain all seniority and benefits accrued. Seniority will not accrue during such leave. Employees returning from a child care leave will be placed in accordance with the provisions in Section 11.6.3.

Section 11.9 Vacation Leave

Section 11.9.1 Regular employees (employees who work 4 hours or more per day and are not hired as a substitute) covered by this Agreement will receive one (1) pro-rated vacation day per each month worked to a maximum of twelve (12) pro-rated days per year in accordance with the chart below (years shall mean years in the SEIU bargaining group):

Section 11.9.2 All twelve-month (260+ days) employees eligible for additional vacation allocation in accordance with the chart above will be credited with such additional allocation on August 16th following completion of such qualifying service year.

Section 11.9.3 Vacation time may be carried over to a maximum of eleven (11) days or eighty-eight (88) hours (pro-rated) for employees annually. Vacation shall be scheduled at the request of the employee, subject to the approval of their immediate supervisor.

Section 11.9.4 When 12-month employees accrue vacation leave are denied requested vacation leave (excluding requests during identified Black Out Periods) and cannot schedule any such vacation prior to the end of the fiscal year, the vacation days denied as a result of the District's need for the employee's services may be carried over to the following fiscal year. This carry-over will be in addition to the carry-over identified in Section 11.9.3 above. If the unused vacation time is not taken during the subsequent fiscal year, the employee shall be paid for the unused vacation time at the employee's regular rate of pay.

Section 11.9.5 School year employees shall receive their vacation leave as additional compensation paid in even increments pro-rated over the twelve-month period. Employees shall be credited the number of vacation days on the anniversary of their first work day in the bargaining group.

An FTE shall constitute 1440 or more hours in a school year. This provision will apply to the extent that the state allows the Employer to continue providing these benefit dollars above state allocation levels.

To be eligible for such coverage, the regular employee must work twenty (20) or more hours per week. Personnel Actions

Section 16.1 Vacancies

Section 16.1.1 Definition A vacancy shall be defined as a position opening as determined by the Employer. The Employer shall not fill any vacant position with a substitute employee for longer than 45 work days.

Section 16.1.2 Procedure for Filling Vacancies

A. The Human Resources Department will make every effort to post vacancies within

- ten (10) working days of receipt of a requisition from the principal or program manager.
- B. Position vacancies within the bargaining unit that cannot be filled by a qualified laid-off employee will be posted in all District facilities for five (5) workdays.
 - C. Bargaining unit employees may apply for any posted vacant position. Employees currently working in the job classification or building/workgroup of the vacant position shall be given preference by district seniority provided they are qualified.
 - D. If no one in the current job classification or building/workgroup applies for the open position, the employee with the earliest seniority date who is fully qualified to perform the work involved shall fill the vacant position when qualifications and performance are substantially equal with others who sought the vacancy. Where it can be clearly substantiated that an outside applicant or substitute possesses greater qualifications, the Employer may fill the position with such person.
 - E. Employees not selected for a vacant position will be notified by the Human Resource Department within five (5) workdays following the close of the selection process. The notification will state that the employee was not selected for the position and inform them that they can follow-up with one of the interviewers, citing proper contact information, to discuss the Employer's reasoning. If there has been a bypass of a senior bargaining unit employee in lieu of a more qualified applicant, such notification to the senior employee will also include the reason the employee was not selected for the position.
 - F. Employees promoted to a new position may be placed in the position for a trial period of forty (40) workdays until he/she demonstrates the skills and abilities necessary to assume the position on a permanent basis. After a period of twenty (20) working days, the employee may determine that the placement is not appropriate and may elect to be returned to the position from which they last held. Should the employee remain in the position beyond twenty (20) working days, prior to the completion of the forty (40) day trial period, the administrator/supervisor may determine that the assignment is not appropriate and the employee shall return to the position they held.
 - G. If the vacant position cannot be filled by a qualified applicant internally or externally, the employer may consider less qualified bargaining unit employees who applied for the position, in seniority order, for training into the position. If the Employer elects to offer a training opportunity, the following conditions may apply:
 - 1. The employee may have a trial service period. The trial service period shall not exceed six (6) months unless mutually agreed by the Employer and the Union.
 - 2. The trial service period may include a training plan with learning achievement goals.
 - 3. If the supervisor determines that the trial service period has been unsuccessful, the employee shall return to a position in their prior job classification, if available. If a position in their prior job title is not available they shall be placed into the layoff recall pool.

Section 16.3 District Seniority District seniority shall mean length of continuous service within the bargaining unit.

Section 16.4 Building/Workgroup Seniority Building seniority for Instructional Assistants shall mean the length of continuous service within the Instructional Assistant's current building. Workgroup Seniority for Technical Support Specialists, Extended Day IAs, Head Start and Ready Start Head Teachers, Head Start Assistant Teachers, and Family Support Specialists shall mean the length of continuous service within the specific workgroup.

Section 16.5 Initial Assignment of Hours Basic Allocation Hours are those hours that the District assigns to the buildings/programs in the spring.

Section 16.5.1 Assignment for the Coming School Year In making assignments for the coming school year, principals/program managers will establish with the instructional assistants currently assigned to their schools and programs their preferences for assignments and hours of work for the upcoming year utilizing the "Initial Assignment Preference Form" (Appendix C).

Section 16.5.2 Spring Assignment of Hours Principals/program managers will make assignments for the coming school year taking into account the preferences and building/workgroup seniority of the instructional assistants, qualifications and program needs. A senior Instructional Assistant who has requested a preference of hours shall not be assigned fewer hours than a less senior instructional assistant. The principal/program manager will post in a common area the schedule of assigned hours at the end of the school year and just before the new school year begins. As changes are made to the assigned hours, the schedule will be reposted.

Prior to the close of the school year, basic allocation hours will be determined by the principal/program manager and assigned to the employee currently holding those hours, regardless of seniority. If the instructional assistant holding those hours does not wish to continue with those hours, they will first be offered to other qualified instructional assistants at the site in seniority order.

If there are less than four (4) hours that are not selected by the building instructional assistants, the principal/program manager will assign those hours equitably beginning with the least senior person. If there are four (4) hour or more not selected, they will be posted as a vacant position.

Section 16.5.3 Assignment of Additional Hours When time is added to a building or program the principal/program manager will first notify the employees in the affected program/classroom and then post on the staff bulletin board the additional time available.

Those interested shall notify the principal/program manager of such interest. The additional time will be offered first to the employee in the affected program/classroom, second to employees in the building preference pool and third to the employee with the most building/workgroup seniority provided that person is qualified and available and student and program needs are met.

Time assigned through this procedure shall not be considered continuing hours for the purpose of assigning hours for the coming school year if such time is assigned after October 15th, assigned due to a class size remedy, or other conditions of a temporary nature. This provision shall not apply if such time is assigned from the building preference pool.

If a disagreement occurs over the time assigned and cannot be resolved through informal discussions between the Union and the Employer, the issue may be grieved beginning with the Deputy Superintendent at Step 4 of the grievance procedure.

Section 16.5.4 Assignment of Technical Support Specialists (TSSs) The District shall provide TSSs a minimum of fourteen (14) calendar days' notice prior to changes to any technical

support school year assignment changes. This notification requirement does not apply to school breaks nor does it apply to temporary changes due to coverage of absent employees.

Section 16.6 Termination of Seniority Seniority shall cease upon: discharge; voluntary termination; expiration of recall rights; or leaving the bargaining unit to accept a position within the District but outside the bargaining unit.

Section 16.7 Layoff and Reduction in Hours

Section 16.7.1 Reduction in Hours Definitions:

- An employee shall be deemed to have been reduced-in-hours when their current annual assigned hours are reduced below their previous continuing hours.
- Previous continuing hours shall be those hours assigned to an employee prior to October 15th of the previous work year, consistent with Section 16.5.

Section 16.7.2 Reduction in Hours Procedure

- A. When reductions in hours are necessary at a site, the reduction shall affect employees in building/workgroup seniority order with the least senior employee being affected first, to the extent possible within the parameters required by building/program needs.
- B. If building/program needs or the qualifications of an employee do not permit the reduction of the least senior employee's hours, the reduction process will continue from the next least senior employee until the number of hours lost by senior employees has been offered to those employees.
- C. If, after this process, an employee has been reduced below four (4) hours they may, at their option, elect to be identified as laid-off and enter into the layoff and recall procedures. Employees have five (5) workdays in which to make the decision to be laid-off and such decision shall be final.
- D. If, after this process, an employee has been reduced to zero hours they shall be deemed to be laid-off and shall enter into the layoff and recall procedures.
- E. An employee who is reduced in hours shall be placed in a building/workgroup preference pool for the following year, ending after the Initial Assignment of Hours procedure has been completed.
- F. During the period the building/workgroup preference pool is in effect if any additional hours become available they shall be offered to employees in the building/workgroup preference pool in compliance with Section 16.5.3, Assignment of Additional Hours, in building/workgroup seniority order, until those employees are made whole for the hours they were reduced. Employees who refuse the additional hours shall be removed from the building/workgroup preference pool.
- G. The District shall notify an employee reduced through this procedure that they have been reduced, utilizing the "Initial Assignment of Hours Preference Form" in Appendix C. Such notification shall include:
 1. The employee's current assigned hours.
 2. The employee's current continuing hours.
 3. The number of hours the employee has been assigned.
 4. The number of hours they are eligible from the building/workgroup preference

pool.

- H. Once building preference pools are finalized the principal/program manager shall give copies of the Initial Assignment Preference Forms to the designated building representative. The building representative will then be asked to forward the forms to a designated Chapter Officer. The information that the forms should include are:
1. Those employees current assigned hours.
 2. Those employees current continuing hours.
 3. Those employees new assigned hours.
 4. The number of hours those employees have a right to from the building/workgroup preference pool.

Section 16.7.3 Layoff Definitions:

- Layoff shall mean the termination of employment due to a need identified by the Employer to reduce staffing because of a change in program needs or financial necessity or as defined through Section 16.7.1, Reduction in Hours.
- Qualified, for the purposes of this section, shall mean previous experience, demonstrable abilities, the ability to train into a position within a reasonable period of time, or training, as determined by the Employer and does not result in a promotion.

Section 16.7.4 Layoff Procedure:

- A. The Employer shall schedule a special Labor/Management meeting at least sixty (60) days prior to implementing paragraph 3 below of this layoff procedure when a district wide reduction in hours may result in one or more employees being laid-off. During the Labor/Management discussion the Employer shall specify the need for the reduction of staff and the severity of the reduction. At this meeting the Employer shall provide the Union with the following information:
1. Updated seniority lists (District and Building/Workgroup)
 2. Documentation to support the necessity for the reductions
 3. Plan of action, including the timelines the Employer is considering
- B. Prior to implementing A3 above of this procedure, the Union shall have the opportunity to call a follow-up Labor/Management meeting to discuss alternative solutions to the layoff, or solutions that may lower the impact of such a layoff.
- C. Employees will be laid-off by:
1. The reduction in Hours Procedure for the IA workgroup, provided that the District may elect to perform a layoff through section 3(b) of this procedure at their discretion.
 2. Classification in inverse order of district seniority for all workgroups other than IA's. Those with the lowest seniority will be the first selected.
- D. An employee selected for layoff may displace the most junior employee in another building/workgroup, by district seniority, for which the senior employee is qualified and which does not result in a wage increase. In lieu of displacing a junior employee, a senior employee identified for layoff may elect layoff. When employees are identified for layoff from buildings they shall be ordered on a list (Bumping Pool) with the District in order of District seniority. The District shall identify the number of employees that will be

laid-off and develop a list of lowest District seniority employees (Bumping List). Those employees in the Bumping Pool may select a job from a junior employee on the Bumping List or elect layoff and such selection/election shall be in writing.

- E. Employees who are laid-off or placed in a different workgroup will be placed in a recall pool for up to one (1) year.

Section 16.8 Recall Definitions:

- Recall Pool shall mean the pool of employees who have been laid-off or have a right to a position in their original workgroup for up to one year.
- Original workgroup shall mean the workgroup from which the employee was laid-off.

Section 16.8.1 Recall Procedure

- A. Employees, when notified they will be placed in the recall pool, shall be given the recall form to fill out, see Appendix D. The form shall request current contact information, including: address, phone number, alternate contact name and phone number (if necessary). The form shall also state the employee is required to notify the Employer of any changes or additional contact information if they will be absent more than five (5) calendar days. Included on the form shall be a request for the geographic region that a laid-off employee will accept for recall, see C(2) of this procedure.
- B. Employees in the recall pool shall retain accrued sick leave, vested vacation rights, district seniority and building/workgroup seniority. Employees shall not accrue additional benefits or rights while in the recall pool unless they are working in a bargaining unit position outside of their original workgroup.
- C. Employees who are placed in the recall pool shall be ordered by District seniority and shall be offered open positions in the bargaining unit in that order, provided they are qualified.
 - 1. Employees offered a position of less than four (4) hours may decline such offer without loss of recall rights.
 - 2. Employees may select the geographic region to which they may be offered recall. The employee may select all of the regions or any combination of regions as identified on the recall form. An employee who refuses recall to a position within a region they selected more than once shall be removed from the recall pool.
- D. The District will first attempt to contact persons selected for recall by telephone followed by a confirming letter. If not successful, the District will send notification by certified mail. The individual will have five (5) calendar days from receipt of notification to accept the position. If the employee fails to accept the position, in writing, within the time limit above it will be assumed that they have declined the position. Written notification from an employee to accept a position, for the purposes of this section only, shall include hand written notes, mailed letters, faxes and e-mails.
- E. The District will notify the Union immediately of each individual selected for recall.

Section 16.8.2 Recall Notification Persons in the recall pool shall be responsible for maintaining their current address and telephone number with the Human Resource office.
