## Juanita Elementary School

## School Improvement Plan

## Annual Update: 2020-21

This school improvement plan meets the requirements of WAC 180-16-220 and WAC 180-105-020.

## SCHOOL OVERVIEW

Description: Juanita Elementary is a PK-5 school located in Kirkland, Washington, in the Juanita region. Students who attend Juanita move on to Finn Hill Middle School, and graduate from Juanita High School. Our core values are encapsulated in the characteristics we strive to help students embody and can be summarized in the acronym PRIDE (Problem Solving, Respect, Integrity, Diligence, and Empathy).

Juanita Elementary School takes pride in fostering partnerships with parent organizations, local community leaders, and businesses which help expand our student's world view and the opportunities they present. Our school partners with the Pantry Pack program to support families in need. In addition, our school also houses extra-curricular enrichment activities including visual arts, martial arts, guitar, yoga, wilderness skills, piano, chess, crafts, jazzercise, Lego Robotics, coding, and a variety of sports.

The staff at Juanita Elementary are passionate about upholding the belief that every student should have the opportunity to learn and succeed and dedicated to providing high quality instruction and creating a positive school environment. Our staff has increased our focus around equity by engaging in activities and reflection of our own biases and those in our society. We have analyzed many data points such as test scores, grade report marks, attendance rates, and discipline data to identify areas of concern for historically marginalized students. Five times a year, our staff will be organizing PRIDE assemblies where we acknowledge and celebrate students in our school for their life skill success in demonstrating these characteristics. PRIDE: Problem Solving: I will use steps to find solutions and resolve conflicts; Respect: I will think and act in a positive way about myself, others, and the world around me; Integrity: I will be honest and do what is right; Diligence: I will work hard and not give up; Empathy: I will seek to understand the feelings and perspectives of others. These assemblies are also an opportunity where we can emphasize the teachings of the Social Emotional Second Step curriculum, used in every classroom and reinforced through class meetings and specialized classroom visits by the school counselor. We will continue to foster important life skills that make Juanita a wonderful place to grow, learn, and succeed!

Mission Statement: Every student will prepare to graduate and lead a rewarding, responsible life as a contributing member of our diverse society.

## Demographics: ${ }^{1}$

|  |  | $2016-17$ | $2017-18$ | $2018-19$ | $2019-20$ |

## CONTINUOUS IMPROVEMENT PRIORITIES

Our target is that all students and student groups are improving, with all gaps closing, each year. The following priorities have been set to guide us in achieving this over a three-year period. In the current remote learning setting, our efforts will be focused on the strategies marked with an *asterisks.

| Priority \#1 |  |  |
| :---: | :---: | :---: |
| Priority Area | English Language Arts/Literacy |  |
| Focus Area | Reading (Language Use and Word Meanings) |  |
| Focus Grade Level(s) | K-5 |  |
| Desired Outcome | By Spring 2022, $85 \%$ of K-5 students will score at or above standard as measured by FastBridge (Grades K-5) and the ELA Smarter Balanced Assessment (Grades 3-5). |  |
| Alignment with District Strategic Initiatives | Multi-Tiered Systems of Support - Academics (MTSS-A) |  |
| Data and Rationale <br> Supporting Focus Area | Data analysis of our SBA scores from the past three years indicates that the area needing most attention is in the Reading Claim, specifically in the areas of Language Use and Word Meanings. This was a trend across the grade levels. |  |
| Strategy to Address Priority | Action | Measure of Fidelity of Implementation |
|  | Collaborate to horizontally and vertically align teaching strategies and routines for weekly Wonders vocabulary and phonics concepts. | \% of teachers collaborating vertically and horizontally on vocabulary and phonics instruction. |
|  | K-5 grade level teams collaborate to ensure alignment of Wonders Instructional Routine Handbook with teaching practice. | \% of teachers implementing instructional routines from the Wonders handbook. |
|  | Conduct Wonders teaching strategy review for vocabulary instruction and alignment. | \% of grade level teams identifying and implementing Wonders lesson components for vocabulary instruction. |
|  | All K-5 students meet minimum weekly usage minutes for Lexia. | Online reports indicate \% of students meeting minimum Lexia usage. |
|  | K-5 teams teach the Wonders curriculum with fidelity and move phonics instruction from day 3 to day 1. | \% of teachers teaching Wonders with fidelity, including daily phonics instruction. |
|  | Implement the Wonders curriculum for vocab and phonics (morphemic skills) instruction. | \% of teachers implementing morphemic skills instruction. |
|  | Use of graphic organizers such as word maps to help support vocabulary instruction | \% of students engaged in using graphic organizers. |

\(\left.$$
\begin{array}{|l|l|l|}\hline & \begin{array}{l}\text { Grade 3-5 teachers collaborate to } \\

| Timeline for Focus | Fall, 2019 - Spring, 2022 |  |
| Method(s) to Monitor <br> Progress | - Common District Summative Assessments. <br>  <br>  <br>  <br>  <br>  <br>  <br>  <br> • SBA Interims for progress monitoring. <br> - Semester Report Card Grades. |  |

| Priority \#3 |  |  |
| :---: | :---: | :---: |
| Priority Area | Social and Emotional |  |
| Focus Area | Resilience |  |
| Focus Grade Level(s) | K-5 |  |
| Desired Outcome | By Spring 2022, $60 \%$ of K-5 students will respond favorably that students are able to pull themselves out of a bad mood, as measured by the Grade 3-5 Panorama Survey and the modified K-2 Social Emotional Survey. |  |
| Alignment with District Strategic Initiatives | Multi-Tiered Systems of Support - Behavioral, Social and Emotional Support (MTSS-B) |  |
| Data and Rationale <br> Supporting Focus Area | Analyzing results from the Panorama Survey and the modified K-2 Social Emotional Survey taken in Fall 2018 ( $43 \%$ of students answered favorably) and Spring 2019 ( $40 \%$ of students answered favorably), there is indication for need of more support in the area of resilience (how frequently students are able to pull themselves out of a bad mood). |  |
| Strategy to Address Priority | Action | Measure of Fidelity of Implementation |
|  | Both staff and students engage in mindfulness activities. | \% of classrooms engage in Mindfulness Monday activity from School Culture Committee. |
|  | Counselor and K-5 teachers teach lessons about emotional regulation. | Counselor and \% of teachers using Second Step, Positive Discipline, and supplemental materials. |
|  | Grades 3-5 administer Panorama Survey and K-2 takes a modified Social Emotional survey. | \% of 3-5 Panorama surveys and K-2 surveys completed by students. |
|  | K-5 teachers explicitly teach calm down strategies and practice with students on a weekly basis. | \% of teachers teaching calm down strategies and practicing with students on a weekly basis. |
|  | K-5 teachers model and teach about having a growth mindset. | $\%$ of teachers explicitly teaching growth mindset concepts. |
|  | Ensure that K-5 students know where the calm down spaces are and how to access them in every area of the building. | $\%$ of spaces in the building that have a designated calm down space $\%$ of students who can identify the calm down spaces in every area of the building. |
|  | K-5 teachers frequently hold class meetings to develop students problem-solving skills. | Classrooms frequently implement class meetings focused on problem solving. |
|  | Occupational therapist, counselor, and special education teacher provide training on sensory seeking behaviors and calm down strategies. | \% of staff attending training. |
| Timeline for Focus | Fall, 2019 - Spring, 2022 |  |

## Method(s) to Monitor Progress

- Counselor's emotional regulation lesson schedule.
- Panorama Surveys twice per school year (October and May/June results).
- Modified K-2 Social Emotional Survey.

| Priority \#4 |  |  |
| :---: | :---: | :---: |
| Priority Area | Supportive Learning Environment |  |
| Focus Area | Respect |  |
| Focus Grade Level(s) | K-5 |  |
| Desired Outcome | By Spring 2022, 30\% of participating staff members will indicate that they believe students respect those who are different from themselves as measured by the Nine Characteristics Survey. |  |
| Alignment with District Strategic Initiatives | Multi-Tiered Systems of Support - Behavioral, Social and Emotional Support (MTSS-B) |  |
| Data and Rationale <br> Supporting Focus Area | The results of the 2019 Nine Characteristics Survey indicated that only $15 \%$ of staff members agree completely that students respect those who are different from them. It is important that all students feel respected and have a positive school experience. |  |
| Strategy to Address Priority | Action | Measure of Fidelity of Implementation |
|  | Staff members model adult to adult and adult to student respect. | \% of staff members modeling respect. |
|  | Staff members provide specific praise to students demonstrating PRIDE characteristics via Jag Brags. | Number of Jag Brags turned in per staff member. |
|  | K-5 students are taught how to provide praise to one another. | \% of students observed providing praise during class meetings, compliment circles, and in unstructured school environments. |
|  | Administer Nine Characteristics Survey. | $\%$ of staff members completing Nine Characteristics survey \% of staff agree completely that students respect those who are different from themselves. |
|  | Staff intentionally provides varied opportunities to share and celebrate unique differences. | \# of opportunities students have to share and celebrate unique differences. |
|  | Professional development on equitable practices and talking to children about race. | \% of teachers talking with children about race. <br> \% of teachers talking with children about accepting differences. |
| Timeline for Focus | Fall, 2019 - Spring, 2022 |  |
| Method(s) to Monitor Progress | - Nine Characteristics Survey (administered yearly). <br> - Staff Survey on implementation of Action Items and questions related to students showing one another respect. <br> - Number of Jag Brags received for "Respect." |  |

## TECHNOLOGY INTEGRATION PLAN

The Washington Basic Education Act requires schools to "integrate technology literacy and fluency" in their curriculum. The updated K-12 Educational Technology Learning Standards emphasize the ways technology can be used to amplify and transform learning and teaching.

The Technology Integration Facilitator Program (TIF) and Building Instructional Technology Plan (BIT) provide the structure and funding to support this requirement.

The goals of the TIF program are to support teachers in effectively:

1. Integrating the use of core instructional technologies within teaching and learning.
2. Utilizing digital tools to enhance the learning process for all students in all classrooms.
3. Understanding and applying the Educational Technology Learning Standards across content areas.
4. Embedding digital citizenship and media literacy within instruction.

Building administrators work with their Technology Integration Facilitator (TIF) to identify needs based on the TIF program goals and develop the BIT Plan to meet those needs. Beginning and end of year survey data informs the personalization of individual school plans.

Based on Fall data, strategic implementations and OSPI requirements, the BIT Plan will focus on the following:
$\square$ Digital Citizenship
$\square$ Integrating core instructional technologies
$\boxtimes$ Utilizing digital tools to enhance learning
$\square$ Applying Ed Tech Learning Standards
$\square$ Embedding digital citizenship \& media literacy
$\boxtimes$ Teaching digital learning in both traditional and remote learning settings

## STATE ASSESSMENT PARTICIPATION

The Every Student Succeeds Act (ESSA) requires that all schools meet at least a $95 \%$ participation rate for state assessments for all students as well as each subgroup. Schools that fall below this threshold in any group must include goals and actions the school will take to ensure $95 \%$ of students participate. The latest participation rate that has been published by OSPI for the school was for state testing in spring 2019. During that year, the participation rate was not met.

Strategies the school is using to meet participation requirements include:

- Common language on the importance of state testing is used by all schools in the district.
- Staff receive training on the administration of state assessments, including the use of supports and accommodations to ensure all students have an equal opportunity to demonstrate learning.
- Make-up testing is provided for students that miss the school's date.
- Test completion lists are monitored by both school testing coordinators and district personnel.
- The district is using the recommended refusal procedures and form developed by the Washington Educational Research Association.

## COMMUNITY ENGAGEMENT PLAN

As a district of doers, learners, and believers, our "why" drives us. We do this all-important work because we want all of our students to have equitable and quality experiences in the Lake Washington School District in order to ensure that they get to choose their futures instead of their circumstances choosing them.

Research has consistently shown that family and community engagement is key to increasing the academic success and positive connections that students have at school, especially students from groups that are demographically under-represented or those historically marginalized. Therefore, it is imperative that we consistently plan and implement strategies to engage our families and school communities in authentic and culturally appropriate approaches.

To ensure that families have the support that they need to assist their children, OSPI requires that school districts have a family engagement policy in place that applies to all families. ${ }^{9}$ The specific strategy our school is using to involve and inform the community of the School Improvement Plan is as follows:

| Strategy to Engage Students, Families, <br> Parents and Community Members in the development of the SIP | Action | Timeline |
| :---: | :---: | :---: |
|  | Principal/PTA Coffee Talk: discuss family engagement and generate strategies to achieve our SIP goals. | First Coffee Talk of each school year. |
|  | Administer Parent Engagement Survey on paper and online (using QR code). | Fall 2019, 2020, 2021. |
|  | Ongoing collection of feedback from stakeholders. | Fall, 2019 - Spring 2022. |
|  | Invitation for parents to provide feedback in the development of the SIP during our first and last PTA meetings of the school year. | First and last PTA meetings of each school year (2019-2022). |
| Strategy to Inform Students, Families, <br> Parents and Community Members of the SIP | Action | Timeline |
|  | Post the SIP on our school website in several languages. | Every January. |
|  | Share a link to the SIP in the Cat Tracks Newsletter. | Biweekly newsletter. |
|  | Principal/PTA Coffee Talk: discuss family engagement and generate strategies to achieve our SIP goals. | Multiple Coffee Talks. |
|  | Parent Engagement Survey with goals and potential strategies listed. | Fall 2019, 2020, 2021. |

[^3]
[^0]:    ${ }^{1}$ Enrollment and racial diversity based on annual October 1 headcount and includes Preschool-Gr 5 enrollment. Students included in program count ( $F R L, S p E d, E L$ ) if enrolled on October 1 and receiving services at any time during that school year.

[^1]:    ${ }^{2}$ Based on DIBELS Next Assessment, End-of-Year Benchmark.
    ${ }^{3}$ Grades K-2 combined. Student/Program groups with less than 10 students marked as "-" and data not displayed due to privacy reasons. "American Indian/Alaskan Native" and "Native Hawaiian/Other Pacific Islander" not included in report due to fewer than 10 students in all categories.
    ${ }^{4}$ Grades $3-5$ combined. Student/Program groups with less than 10 students marked as "-" and data not displayed due to privacy reasons.
    ${ }^{5}$ WCAS $=$ Washington Comprehensive Assessment of Science. Given only to $5^{\text {th }}$ grade at the elementary level. Assessment first given in 2017-18.

[^2]:    ${ }^{6}$ Grades K-5 combined. Student/Program groups with less than 10 students marked as "-" and data not displayed due to privacy reasons.
    ${ }^{7}$ Washington School Improvement Framework measures compile data across three years (2017-2019) and include both the general education assessment (Smarter Balanced assessments) and the alternative assessment for student with severe cognitive disabilities (WA-AIM). OSPI suppression rules apply to some data marked as "-" and not displayed due to privacy reasons.
    ${ }^{8}$ Median Student Growth Percentile is calculated by ordering individual student growth percentiles from lowest to highest and identifying the middle score. Washington State defines an SGP of 1-33 as low, 34-66 as typical, and 67-99 as high.
