**Bicycle Riders Contract**

Dear 4<sup>th</sup> and 5<sup>th</sup> Grade Students and Parents,

Fourth and fifth grade students are permitted to ride bikes to school. Because we want to do everything we can to assure that riders are educated in the safe and responsible operation of their bicycles, there are certain conditions that will have to be met before the school's permission to ride will be granted. These conditions are:

- Parent or guardian's permission must be given by signing this contract.
- Student will sign this contract agreeing to observe all conditions.
- Student will attend a bicycle safety meeting.
- Student will wear a bicycle helmet always when operating the bicycle.
- Student will make sure the bicycle is locked securely to the bike rack during school hours.
- If any of the conditions of this contract are not observed, student riding privilege may be withdrawn.

**NOTE:** Although we try to provide a safe and secure area for bicycle storage, neither Juanita Elementary School or the Lake Washington School District can take responsibility for lost, stolen or vandalized bicycles on either school property or while en route to or from school.

**Student Statement:** I agree to the conditions in this contract. I also agree that I need to be concerned about the safety of pedestrian, cyclists, and other vehicles as well as for my own safety when operating my bicycle. I will walk my kike on the sidewalks and follow all adult directions. I will wear my helmet and lock my bike. I realize that the school is not responsible for the care and protection of my bike.
