Juanita Elementary
Student Placement Process – Optional Parent Input Form
School Year 2018-2019

Factors such as enrollment, changes in teacher assignments or chance of combination classes make it impossible to guarantee specific teacher requests. Please do not request a specific teacher. The following points will be considered when placing students in classrooms for next year.

Placement Criteria

- *Academic Abilities equally distributed*
- *Social and Behavior Needs*
- *Boy/Girl Ratio*
- *Parent Input*
- *Current Teacher Input*
- *Special Needs*

1. Outside of the school, how does your child seem to learn new skills?

2. Is there any **specific student** from whom your child should be **separated**? Your input will be considered; however, we only have 2-3 sections per grade level and it may not be possible to honor every request. Provide explanation:

3. Characteristics that strongly apply to your child: (please circle)

assertive	active	artistic	temper tantrums	daydreams	musical	analytical
verbal	athletic	cries easily	energetic	shares easily	impatient	friendly
social	easily angered	inquisitive	cooperative	creative	fearful of new situations	

3. Without being asked, my child reads at home… (please circle)

always frequently occasionally seldom never

4. My child is self-motivated to learn and often asks to read/learn about a topic… (please circle)

always frequently occasionally seldom never

5. My child is motivated to do homework on his/her own… (please circle)

always frequently occasionally seldom never

Please Note: Individual requests for specific teachers cannot be honored. Classes are created with the intent to form a balanced learning community for all our students. **Please return this form by April 27, 2018.**
