March 25-29, 2019

After School Safety:

In order to ensure the safety of all our students and staff on campus we have some basic expectations and procedures for everyone to be aware of.

- The commons closes after school. Students getting snacks and/or beverages have until 2:50 before they need to leave.
- We lock all the exterior doors to the old building at 3:00.
- Access to the fieldhouse is limited to student athletes who are under the supervision of their coaches, or other student groups who have an advisor there to support them in decorating, planning for assemblies,
- Teachers are generally available after school (unless they are in meetings), so students are welcome to make arrangements with their teachers to get help, make up work, etc.

Important Information from our Nurse:

- If your student has been approved to **self-carry a life-saving medication** (EpiPen or Inhaler) please make sure they have it with them when coming to school. We had a close call recently when a student did not have the EpiPen with them when it was needed. Thankfully, the student is fine.
- If we have a confirmed case of **measles** at JHS, any students unvaccinated for measles will be sent home, for up to 2 weeks. [Please click here for a letter from the district](#) regarding this important information.
- New families have 30 days to turn in their student's **immunization records**. After that, they are considered out of compliance. Please see WA State Law RCW 28.A.210.080

From the Counseling Office:

- **Parents—Counselor conferences are by appointment only.** If you would like to meet with your student's counselor, please email the counselor to make the appointment. [Click here to be transferred to the counseling website.](#)
- **Juanita Families,** Thank you for continuing to support your student in completing their **High School & Beyond Plan**. Attached are a few more things **Xello** can do to help your student succeed. [Please click here for details.](#)

 InvestED provides funding that supports the efforts of secondary schools throughout Washington state. We partner with 652 schools and assist 23,240 students with small amounts of short-term, item-specific, need-based funding – items such as shoes, coats, glasses, sports equipment, and academic fees.

Our mission is to provide immediate help for students in need. Our goal is to encourage students to stay in school, return to school, or get involved within their learning community.

You can help students in your community. InvestED is a 501© (3) organization tax ID# 23-7189670. Please contact Lynn Grager at 425.936.1617 or lgrager@lwsd.org for more information.
