

## Juanita High School Pre-Arranged Absence Form

Lake Washington School District recognizes the importance of regular school attendance as a necessity for mastery of the educational program provided to students of the District. As such, students are expected to attend all assigned classes each day.

Students may be excused from attendance subject to approval by the student’s parent and the school principal or designee based on valid excuse criteria outlined in regulation JED-R.

If families have prior knowledge that their student will be absent, they may pre-arrange for the absence to be excused. If the pre-arranged absence will result in the student being considered chronically absent the pre-arrangement process must include a plan indicating how the student will maintain sufficient educational progress.

*Teachers are not required to provide classwork or assignments in advance of an absence.*

Any time a student misses school it has an adverse effect on their learning. To help mitigate this effect, please encourage your student to access PowerSchool Learning regularly (if possible) to keep up as best they can with their school work while they are gone and to work with their teachers upon their return to get caught up as soon as possible.

What learning activities will your student be engaged in, so that he/she can maintain progress in his/her studies?
