

Hello McAuliffe families, students, and community!

I am thrilled to be joining McAuliffe Elementary School as your Associate Principal! McAuliffe is known for its strong sense of community, high academic rigor and ongoing collaboration between staff, students, and families. These qualities make it such a wonderful place to be and I look forward to getting to know you all this year.

A little bit about myself. I grew up in Renton with a very large extended Vietnamese family. I attended the University of Washington for my Bachelors in Sociology, Master's in Teaching and for the Danforth Educational Leadership Program. I have also spent the last 11 years working in Highline Public Schools as a teacher, instructional coach, and Peer Mentor to first year teachers. In my free time, I enjoy baking, going on food adventures and spending time with family and friends.

My core educational values center around equity, relationships, compassion, and collaboration. I truly believe these align with McAuliffe's mission and vision to "ensure all students are empowered, both socially and academically, to achieve personal success." It's a privilege to be joining your diverse community and I can't wait to start partnering with you and getting to know your hopes, dreams and goals for your children.

Let's "Reach for the Stars" together—Go Challengers!
