Parent Signature: _____ Date: _____

Student Signature: _____ Date: _____

TESLA STEM PARKING REGULATIONS

Please read these directions carefully before filling out the registration form.

1. Students and parents must complete, sign, and date the Student Vehicle Registration form.
2. All fines must be paid prior to receiving a parking permit.
3. Students must possess a valid driver's license and abide by the six month rule as required by the State of Washington.
4. Students and parents must read the Lake Washington School District's Parking policy (below).
5. Students who withdraw or are long-term suspended must return their parking permit.
6. Parking Regulations will be strictly enforced. It is considered a privilege to park on school grounds. Fines, suspension of driving privileges, and/or suspension from school may occur when these regulations are violated.

Before filling out the registration form, please read the Lake Washington School District parking policy and the STEM Parking Policy.

Lake Washington School District Policy:

"By issuance of this permit, the Lake Washington School District does not assume liability for any property damage to any private automobile parked on its property. The owner-operator(s) of all private vehicles accept responsibility for their own property and agree(s) that they are parking at their own risk. Students may request parking accommodations which may be necessary due to a handicap through the school guidance team."

STEM High School Policy:

"All STEM students who park their vehicle(s) on the STEM campus must have a valid and visible STEM Student Parking Permit properly displayed on their vehicle. A parking permit is to be used only by and for the car and drivers for whom it is issued. The parking permit is not transferable and may not be "sold" by the student. Students must turn in their Parking Permit upon withdrawing from school or when otherwise directed to do so."

Parking infractions will be issued for the following:

1. Parking without a valid and visible parking permit. All parking tags must be clearly displayed in the front window of your car.
2. Improper parking of a vehicle. This includes not properly parking in the stall (taking more than one place or blocking accessibility), parking in restricted spaces (fire lanes; handicap only parking, visitor areas, curbs, grass, etc).
3. Not registering new vehicles with the school that are not listed on this registration form.
4. Moving violations (speeding, reckless driving, or misuse of vehicle).

NOTE: More than one violation may result in the following: suspension; towing at owner's expense; loss of parking privileges.
