School Description

Mark Twain Elementary is a wonderful K-5 school located in the North Rose Hill neighborhood of Kirkland, Wash. We serve a diverse population of about 540 highly-valued children and families. We are a Peace Builders school. As students, staff and parents, we are proud to maintain a learning environment that reduces violence and establishes a more peaceful way of living in our school and community.

We have a dedicated and highly skilled staff. They work extremely hard to maintain our focus on what is best for kids and what will help each student reach their maximum potential. Our parent community is very active and supportive in our school. Our PTSA provides generous support both financially and in volunteer hours. Their support comes in the areas of science, math, art and literacy enrichment, general academic support and extracurricular activities.
