Lake Washington School District

Sports Participation Fee Waiver Request Form - Middle School

Our goal in the LWSD is for every student-athlete to have the opportunity to participate in athletics. With this in mind, we try to offer waivers to families experiencing various types of financial hardships. As a school district, we are limited in the amount of full Participation Fee Waivers that are available to our students. Therefore, to provide additional assistance to our families, we require that they pay a portion of their student's Sports Participation Fee. Waivers may be limited to one per athlete, per school year. Your school's Athletic Director will review all requests and will attempt to support your student athlete's needs.

All waiver request forms must be turned in at least 5 business days prior to your student's sport's turn out date. For Season 1----2----3----4: 2014-15 forms must be turned in by- Click here to enter a date.
