

## Foreign Transcript Evaluation Services

The Office of Superintendent of Public Instruction requires that any Foreign Transcript submitted as evidence of meeting the requirements of HB 1115, must be translated and evaluated for equivalency to U.S. Standards on a **course-by-course basis (for teachers) or document to document (for Instructional Assistants and Paraeducators)**.

**Washington State accepts evaluations completed by an approved member of the National Association of Credential Evaluation Services (NACES):**
