

Cultural Navigator Program

Helping people in east and south King County

**caring support
access to services**

The Cultural Navigator Program offers free, confidential social service assistance to individuals and families who have limited English language skills. The program particularly helps people living in East & South King County (Bellevue, Kirkland, Sammamish, Redmond, Snoqualmie Valley, Renton and Kent) to find appropriate resources for the health of their family. Services include, but are not limited to:

- Finding volunteer opportunities
- Starting a business or help with employment
- Learning about recreational activities
- Information about bus and transportation
- Locating child care resources
- Registering for English language classes
- Applying for food stamps and related assistance
- Accessing medical, legal and financial services
- Helping parents work with their child's teacher
- Housing and utility information and assistance
