PLAN YOUR FUTURE:

Careers in this program are related to the business environment, including planning, organizing, directing, and evaluating. Functions essential to efficient and productive business operations.

These may include entrepreneur, sales/service marketing, computer/informational systems and security, finance, accounting, personnel, economics, management, office administration, statistics, accounting, advertising, sales, and service.

In General:

More Education = More Earnings

...but not all jobs or degrees lead to equal earnings.
