Employment Options

Graduation

PLAN YOUR FUTURE:

Careers in this pathway are related to technologies necessary to design, develop, install, and maintain physical systems, and the promotion of health and treatment of disease.

These include engineering, manufacturing, construction, service related technologies, architecture, nutrition, fitness, medicine and mental health, and therapy and rehabilitation.

In General:

More Education = More Earnings

...but not all jobs or degrees lead to equal earnings.

Go through PowerSchool to Access

Career Cruising

and find the best in-demand career that fits your interests, skills, and values.
